

CONSUMABLE REQUEST

Advance
Histopathology
Laboratory

Advance Histopathology Laboratory Ltd (AHLab) provide consumables to service users. The consumables provided are prefilled formalin containers (**volume available 60ml, 120ml, 1090ml, 1580 ml, 3 litres and 5.6 litres**), request form and specimen bags.

The recommended volume is 1-part sample and 10-parts formalin to allow for adequate fixation.

The image below is designed to help you accurately request the appropriate size of formalin containers. Our range includes various sizes to meet your needs.

If you are a service user and have a formal SLA with us, please email specimen@ahlab.co.uk for consumable requests.
